Your contribution will help more students attend Wisdom of the Herbs School.

Wisdom of the Herbs School offers unique experiential programs embracing the wild plants, holistic health, and sustainable living skills, valuable tools for living on the Earth in these changing times. Participants learn through herb walks and nature adventures, communion with Nature, lecture and discussion, hands-on wild harvesting and preparation of wild edibles and herbal home remedies, with intention and gratitude. We ask for the support of our past and future students and friends to empower many more students to benefit from these timely and time-tested teachings.
